

2020 Media Access Agreement (Part A):

Torbay Motor Club (TMC) acknowledges that media personnel have a key role in promoting motor sport whilst also gaining access to valuable commercial opportunities. In recognition of that joint benefit, at each event promoted, or co-promoted, by TMC, the club will provide access for media photographers in exchange for a limited range of media output related to those events.

Conditions of Access:

1. 'Signing-on' with the Secretary of the Meeting is mandatory. TMC and/or any co-promoting club will provide a media (pink) tabard (£10 returnable deposit required) that identifies the person as a 'signed-on' individual on condition that this is worn at all times when the competition is in progress (course 'live' – red flags withdrawn). This must be returned at the end of the meeting. No other tabard confirms 'signed-on' status.
 2. Access to any area outside defined spectator enclosures will be permitted strictly, and only, under the direction of the Clerk of the Course, his/her Deputies, event marshals and/or other club officials. Individuals working in areas of the venue without permission or in express opposition to such direction will be required to surrender their tabard and leave the venue. If you are in any doubt, at any time, about where you may or may not be, you must liaise with an official as listed above.
 3. Except during periods when the course is closed (**all** red flags displayed), photography and filming is permitted only from (a) within spectator areas and (b) the following with the Clerk of the Course's permission (these are Motorsport UK regulatory requirements):
 - (a) Physically protected areas e.g. within marshal's posts
 - (b) Behind substantial natural obstacle protection e.g. banks/trees etc.
 - (c) At least 60m from the nearest edge of the track in open areas
 4. If an incident occurs, do not under any circumstances, other than for your own safety, move from your position as medical and rescue vehicles may be in transit. If you are in the location of an incident you may continue to film. If a competitor suffers any injury as a result of an incident, it is a condition of participation that you offer the images/footage to the Clerk of the Course for viewing and to gain his/her written permission to retain it. Such images may be required for any Motorsport UK investigation.
 5. As soon as possible after the event, the following to be supplied, f.o.c., for the club's use:
 - (a) a minimum of four still photographs from the event, to include (i) the event (speed - FTD) winner, (ii) any class winner that is also a member of the organising club(s) and (iii) any other notable incident (e.g. non-injurious accidents, spins etc.). These photos will accompany subsequent Press Information releases to external media, may be featured on the club website and used for subsequent event publications.
 - (b) Video footage may be used on the club website and for club social events.
 - (c) All photographs/video so supplied will retain the originator's copyright and will be specifically acknowledged to any external media sources to whom it is sent.
 - (d) **Please send media to the Club's PR & Press Officer (Tel: 01392 490848 or 07594 584129):**
- By: e-mail: pr@torbay-mc.co.uk
- Or: by transfer to memory stick or DVD at the conclusion of the event.
6. **Please register online at <http://www.torbaymotorclub.co.uk/media-galleries/> or complete, sign and return the attached form to signify agreement with the above.**

Thank you for your cooperation and we hope you have an enjoyable day.

Torbay Motor Club

2020 Media Access Agreement (Part B):

The undersigned agrees to the conditions of participation as a media professional at events promoted or co-promoted by Torbay Motor Club and the supply of media at those events as listed under the Conditions of Access (1 to 6 on the accompanying sheet) which I have retained.

This agreement extends to all TMC and TMC co-promoted events until December 31st, 2020.
