

2022 Media Access Agreement (Part A):

Torbay Motor Club (TMC) acknowledges that media personnel have a key role in promoting motor sport whilst also accessing commercial opportunities. In recognition of that joint benefit, at each event promoted, or co-promoted, by TMC, the club will provide access for media photographers in exchange for a limited range of media output related to those events.

Conditions of Access:

1. 'Signing-on' is mandatory and is now completed on-line via the club's website. TMC and/or co-promoting clubs will provide a media (pink) tabard (£10 returnable deposit required) that identifies the person as a 'signed-on' individual on condition that this is worn at all times when the competition is in progress (course 'live' = red flags withdrawn). This must be returned at the end of the meeting.

No other tabard confirms 'signed-on' status.

2. Except when the course is 'closed' (**all** red flags displayed), photography and filming is permitted only from within (a) spectator areas and (b) the following, with the Clerk of the Course's permission (these are Motorsport UK regulatory requirements):
 - (i) Physically protected areas e.g. within marshal's posts
 - (ii) Behind substantial natural obstacle protection e.g. banks/trees etc.
 - (iii) At least 60m from the nearest edge of the track in open areas.
3. Access to any area as in (i), (ii) and (iii), above will only be permitted under the direction of the Clerk of the Course by his/her Deputies, event marshals and/or other club officials. Any individual found working in such areas without permission or in opposition to such direction will be required to surrender their tabard and leave the venue. If you are in any doubt, at any time, about where you may or may not be, you must liaise with an official.
4. If an incident occurs, do not under any circumstances, other than for your own safety, move from your position as medical and rescue vehicles may be in transit. If you witness an incident you may continue to film until emergency personnel arrive and not thereafter.
 - 4.1 If a competitor suffers any injury as a result of an incident, it is a condition of participation that you provide any relevant images or video to the Clerk of the Course for viewing and gain his/her written permission to retain them.
 - 4.2 If imagery of a serious accident (that may cause distress to the public, competitors, or officials) is captured you are obliged to make such imagery or footage available for review, without charge, to the Clerk of the Course and/or his/her Deputies, the Motorsport UK Steward and/or representatives of the venue operators. Images may be required for a Motorsport UK investigation.
 - 4.3 The 'posting' of such imagery or footage on social media sites without review and approval is **absolutely prohibited**.
5. As soon as possible after the event, the following to be supplied, f.o.c., for the club's use:
 - (a) a minimum of four still photographs from the event, to include (i) the event (speed - FTD) winner, (ii) any class winner that is also a member of the organising club(s) and (iii) any other notable incident (e.g. non-injurious accidents, spins etc.). These photos will accompany subsequent information releases to external media, may be featured on the club website and used for subsequent event publications.

- 7. **Please register online at <http://www.torbaymotorclub.co.uk/media-galleries/> or complete, sign and return the attached form to signify agreement with the above.**
